

Health Care for Life *on the Go!*

Unlimited Virtual Primary Care, Urgent Care, Behavioral Health, Direct Pharmacy, Nationwide Labs, and an Expert Care Team.

→ Add Catastrophic coverage from 50k to unlimited for \$56 per month, per individual.

\$99 per month — 
per Individual

With LASO members receive:
→ Virtual Primary Care
→ 24/7 Urgent Care
→ Behavioral Health

With LASO Connect, members have 24/7 virtual access to a nationwide network of primary care, urgent care and behavioral health providers, all just a call or text away. 
Unlike health insurance, there are no copays, surprise bills, or limits on how often you can use the service.

Members receive assistance with:
→ Coordinating Care
→ Negotiating Costs
→ Surprise Bills

The Care Team provides personal member assistance with coordinating care and pre-negotiating costs for lab work, imaging, procedures, prescriptions and more. 
They protect members from surprise bills and navigate the complex healthcare system to ensure quality of care.

Receive unlimited labs at ZERO out-of-pocket cost at Quest locations nationwide, except those in AZ and OK. **Some exclusions apply; see website for details.*

With Revive (Powered by Manifest Rx) members receive fast and FREE delivery right to your door of more than 1,000 quality generic medications with a 90-day supply.

With ProCare Rx, members save at the pharmacy where they receive pass thru pricing on prescriptions and medications with no markups or fees.

With DocWellbee's dental and vision savings program, members receive preventive care services, as well as standard dental and vision discounted costs.

One time \$20 enrollment fee per application.
