Unlimited Virtual Primary Care, Urgent Care, Behavioral Health, Direct Pharmacy, Nationwide Labs, and an Expert Care Team.

→ Add Catastrophic coverage from 50k to unlimited for \$56 per month, per individual.

\$99 per month —
per Individual

♦ Primary Care ♦ Urgent Care ♦ Mental Health
Receive unlimited 24/7 virtual access to a nationwide network of primary care, urgent care and mental health providers, all just a call or text away. No copays or surprise bills.

Patient
Advocacy
Service

♦ Care Coordination ♦ Patient Advocacy
Expert Care Team assistance with coordinating care and ensuring members receive fair rates for medical and prescription costs, protecting them from inflated pricing and surprise bills.

♦ Claim Reviews ♦ Bill Pay Assistance
With Goodbill's pre-payment claim reviews and 501(r) discounts, our members can be sure they never overpay for high cost hospital visits again.

Receive unlimited labs at ZERO out-of-pocket cost at Quest's nationwide locations, except those in AZ and OK.

**Some exclusions apply; see website for details.*

With DocWellbee's dental and vision program, members save with free preventive care services, and discounted costs on standard dental and vision services.

Receive access to the #1 stretching and flexibility app. Follow along with expert-led video classes for splits, backbends, and full-body mobility. Sessions for all levels.

With ProCare Rx, members save at the pharmacy where they receive pass thru pricing on prescription drugs and medications with no markups or additional surprise fees.

With Revive (Powered by Manifest Rx) members receive fast and FREE delivery right to your door of more than 1,000 quality generic medications with a 90-day supply.

One time \$20 enrollment fee per application.
