

# Health Care for Life *on the Go!*

Unlimited virtual Primary Care, Urgent Care, Behavioral Health, Direct Pharmacy, nationwide Labs, and an expert Care Team.

→ Add Catastrophic coverage from 50k to unlimited for \$56 per month, per individual.

**\$99 per month** —   
per Individual

With LASO members receive:

- Virtual Primary Care
- 24/7 Urgent Care
- Behavioral Health

With LASO Connect, members have 24/7 virtual access to a nationwide network of primary care, urgent care and behavioral health providers, all just a call or text away.

Unlike health insurance, there are no co-pays, surprise bills, or limits on how often you can use the service.

Patient  
Advocacy  
Service

Members receive assistance with:

- Coordinating Care
- Negotiating Costs
- Surprise Bills

The Care Team provides personal member assistance with coordinating care and pre-negotiating costs for lab work, imaging, procedures, prescriptions and more.

They protect members from surprise bills and navigate the complex healthcare system to ensure quality of care.

With Quest, members receive unlimited labs at locations nationwide. Quest is the leading provider of diagnostic information services in the nation. *\*Some exclusions apply; see website for details.*

With eHome, members receive confidential video counseling from fully licensed counselors via smart phone, tablet or computer. Includes scheduling assistance and personalized counselor matching.

MAGIC PILL

With Magic Pill, members receive free home delivery of more than 1,000 quality generic medications with a 90-day supply.

**Direct Rx**

Members save at the pharmacy where they receive pass thru pricing on prescriptions and medications with no markups or fees.

**One time \$20 enrollment fee per application.**
